Councilmember Buscaino,

We are in the process of renewing the San Pedro Historic Waterfront Business Improvement District. An important step in the process is to gather signed petitions from property owners that will allow us to move towards the balloting process.

I know that you know the importance of the San Pedro Business Improvement District to the local economy, property values and quality of life for employees, customers and residents of the area. It would be a detrimental to all the progress that has been made if the District were not renewed. The District and all services would terminate on December 31, 2017.

I would like to request your assistance in the renewal process by contacting property owners that you may know and ask them to sign the petition. I have enclosed the petition packet for your review. I can also send you the signature page (not attached) of any individual property owner that you may know.

I would like to thank you for all your years of support and partnerships. I look forward to a successful renewal and thank you for all of your support.

Best regards,

Lorena Parker

Executive Director

San Pedro Property Owners' Alliance
